

About MKCL

MKCL is a Public Limited Company promoted by the Department of Higher and Technical Education, Government of Maharashtra. It was incorporated on August 20, 2001, under the Companies Act, 1956. Subsequently, it was allocated to Directorate of Information Technology under General Administration Department (GAD) from January 5, 2018.

MKCL, has been continuously designing, developing and successfully deploying imaginative, pervasive and appropriate applications of Information Technology for transforming teaching, learning, assessment and student support processes in Universities and Colleges. As a result, MKCL has attained a unique identity as a Knowledge Partner and a Fast-Track Digital Transformation Partner of Higher Education Institutions. Over the last 15 years, MKCL has been offering these transformative services to more than 15 Universities, 4000+ Colleges and 2 million+ Higher Education Students every year.
